My child \_\_\_\_\_ has my permission to participate in the Concordia Lutheran School's program by:

- Yes No Attending special programs, such as puppet shows and story tellers during class scheduled time at Concordia Lutheran School.
- Yes No Viewing occasional G-rated movies. Kindergarteners may view a PG-rated movie with parental notification.
- Yes No Praying in a group led by the staff at Chapel or in the classroom.
- Yes No Wearing sunscreen to school on sunny days or days when classes will be outdoors for an extended time or giving Concordia staff permission to put sunscreen on your child.
- Yes No Giving **one month's** notice if my child is to be withdrawn so that the school will have time to refill his/her space or you will be charged for that month.
- Yes No Understanding that it is my responsibility to fill out all of the school's forms **completely**, *including addresses, zip codes, and phone numbers*, and to **update** the information regularly. Children with incomplete forms may not enter school per Human Services regulations.
- Yes No Paying my child's tuition by the **10th of each month** or receive a \$10.00 Late Pay Fee and being responsible for any collection costs the school incurs if I default on our agreement.

- Yes No Respecting the teachers' preparation time and lunch breaks by not bringing my child to school more than **5** minutes prior to class and punctually picking up within **5** minutes of dismissal. It is important to then leave the school promptly so that the teachers may fulfill their other duties.
- Yes No Abiding by the policies and procedures set forth in the Parent Handbook which is updated each fall. This includes addressing any questions or concerns promptly and directly to the Director in a Christian, confidential manner, maintaining open communication for the benefit of all.
- Yes No Having photographs taken by the staff to record memorable moments for the school or parent's use only.
- Yes No By giving permission for Concordia Lutheran School to use photographs of my child(ren) in its newsletter which is posted on Concordia's website, on the preschool's Facebook page or on flyers to be posted in public places as advertisements for the school.
